EDUCATION:

Doctor of Philosophy – 2002 Health Services Administration Concentration: Strategic Management	University of Alabama at Birmingham
Master of Public Health – 1999 Health Policy and Management	State University of New York at Albany
Bachelor of Science – 1997 Biological Anthropology	State University of New York at Albany

POSITIONS HELD:

Department of Health Policy and Management, Richard M. Fairbanks School of Public Health Indiana University, Indianapolis, IN

- *Fairbanks Endowed Chair for Leadership in Public & Population Health* 2019 – Present
- *Professor and Department Chair* 2015 – Present
- *Scientist, Regenstrief Institute, Inc.* 2017 – Present
 - *Affiliated Scientist from 2015 – 2017*
- *Secondary appointment at IU Kelley School of Business* 2015 – Present
- *Secondary appointment at IU School of Nursing* 2015 – Present

Department of Health Care Organization and Policy, School of Public Health University of Alabama at Birmingham (UAB)

- *Professor* 2011 – 2015
- *Director, Doctor of Public Health (DrPH) Program* 2009 – 2015
- *Associate Professor with tenure* 2008 – 2011

Joint Appointment in:

- Department of Health Services Administration, School of Health Professions (UAB)
- Department of Management, Information Systems, & Quantitative Methods, School of Business (UAB)
- Senior Scholar in the UAB Lister Hill Center for Health Policy Research
- Senior Scientist in the UAB Nutrition and Obesity Research Center (NORC)

Department of Family Medicine and Rural Health, College of Medicine Florida State University, Tallahassee, Florida

- *Associate Professor* 2007
- *Director, Center on Patient Safety, Division of Health Affairs* 2003 – 2007
- *Assistant Professor* 2003 – 2006

**Center of Quality Improvement and Patient Safety, Agency for Healthcare Research and Quality (AHRQ)
U.S. Department of Health and Human Services, Rockville, MD**

- *Lister Hill Health Policy Fellow* 2002

**Department of Management, School of Business
University of Alabama at Birmingham**

- *Research Assistant* 1999 – 2001

**Bureau of Biometrics; and Bureau of Dental Health
New York State Department of Health, Albany, New York**

- *Research Assistant* 1998 – 1999

HONORS & AWARDS:

-
- Awarded the AcademyHealth [HSR Impact Award](#) for research that had a significant impact on health and health care by influencing policy 2021
 - Recognized as **Favorite Professor of The Executive MBA Class of 2020** on [Poet and Quants](#) 2020
 - Received the CAHME/Wharton Research Data Award for **Best Empirical Research Paper** 2020
 - 3rd place team, AHIMA National Pitch **Competition for startups** that harness health data and information to advance healthcare 2019
 - 1st Place Team, American Medical Informatics Association (AMIA) “Pitch IT” **competition for best innovation that improves care** through improved workflows, decision support, and/or analytics 2018
 - 1st Place Team, BioCrossroads Inject Tech Challenge for **best new disruptive solution** designed to improve patient outcomes in Indiana 2018
 - Completed the **Leadership Academy for Department Chairs** by the American Council on Education (ACE), Chicago, IL 2017
 - Received **Excellence in Teaching Award** from the Academy of Management, Health Care Management Division 2017
 - My mentee, Alva Ferdinand, received the AcademyHealth **Outstanding Dissertation Award** at the annual research meeting in San Diego, CA 2014
 - Inaugural graduate of the **Executive Development Program** designed to provide customized leadership development opportunities for executive-level positions among high potential faculty and staff at UAB 2014
 - Winner: “Back of the Envelope” Innovative Research Idea Award, UAB Public Health 2012
 - Inducted Member, Phi Kappa Phi **Academic Honor Society** 2011
 - UAB **President’s Award for Excellence in Teaching** 2011
 - Professor John D. and Starr A. Blair **Award in Health Organization Management Research** presented by the faculty at Texas Tech University, Lubbock, Texas 2011
 - UAB Graduate School Dean’s **Excellence in Mentorship Award** 2011
 - Completed The “BLAZE” (Building Leadership Attributes with Zeal and Excellence) **Leadership Academy** at UAB 2011
 - **First place recipient** in Association of University Programs in Health Administration (AUPHA) poster competition 2009
 - Inducted Member, Delta Omega **Public Health Honor Society** 2009
 - **Outstanding Junior Faculty Researcher Award**, FSU College of Medicine Faculty Council 2006

-
- Delivered **Keynote Address** at Health Information Management and Systems Society (HIMSS) Southern California Annual Meeting, Los Angeles, CA, 2006
 - **Special Advisor** to the Florida Governor's Health Information Infrastructure Advisory Board. Board created by Governor JEB Bush Executive Order Number 04-93 2004 – 2007
 - **Second place recipient** in Association of University Programs in Health Administration (AUPHA) poster competition 2003
 - **Outstanding Paper Award**, Southern Management Association, Hospitality Management, Healthcare Administration, and Public Administration Track 2003
 - **Policy Fellow & Technology Advisor**, National Center for Fluoridation Policy & Research 1999 – 2006
 - President's Undergraduate **Leadership Award**, State University of New York at Albany 1996 & 1997
 - Member, Five Quad Volunteer Ambulance Service, Albany, NY 1995 – 1997

ACADEMIC PRESENTATIONS, PROCEEDINGS, ABSTRACTS, AND POSTERS

Menachemi, N., “AUPHA’s Role in Doctoral Education: A Conversation with Four University Leaders.” Participated as a panelist in a moderated session at the virtual AUPHA Annual Meeting, 2021.

Sabin, S., LaFleur, B., **Menachemi, N.**, Tompkins, C., McCullough, J., Jehn, M. “SARS-CoV-2 Seroprevalence Studies in the United States: Methodological Challenges and the Need for a Coordinated National Strategy.” Poster presentation at Society for Epidemiological Research annual meeting 2021.

Menachemi, N., Presented “Underrepresented Racial Minorities in Biomedical Informatics: PhD Graduation Rates & Academic Job Trends” as part of a panel hosted titled “JAMIA as a Voice for Diversity, Equity, and Inclusion in Biomedical and Health Informatics, Health Care, and Society.” AMIA Virtual Informatics Summit 2021.

Menachemi, N., Enhanced Research Environment: The Backbone to a Data-Driven COVID-19 Response. Presented as a virtual panelist at the AcademyHealth National Health Policy Conference meeting 2021.

Menachemi, N., *Best of Both Worlds: Combining Research and Teaching*. Participated as a panelist to discuss bringing research into the classroom, generating research through teaching, and using the classroom as a laboratory. Zoom presentation at Academy of Management annual meeting 2020.

Menachemi, N., *Health Care Management Teaching Incubator*. Participated as a panelist to discuss best practices in online teaching in the context of the COVID-19 pandemic. Zoom presentation at Academy of Management annual meeting 2020.

Menachemi, N., *Keep Calm and Be a Mentor*. Presented as a panel member at the virtual Association of University Programs in Health Administration (AUPHA) Annual Meeting, June, 2020.

Vest, J., Halverson, P., Harris, L., Haut, D., **Menachemi, N.** *Impact of risk stratification and referral to social services on subsequent emergency and hospital utilization*. Presented at the American Medical Informatics Association Clinical Informatics Conference. Virtual Conference, 2020.

Rivera, R., Rahurkar, S., Dixon, B., Vest, J., **Menachemi, N.**, Zhang, Y., Schaffer, J., Adler-Milstein, J., Schleyer, T. *Towards Measuring Real-World vs. Theoretical Impact: Development of an Enhanced Method for Evaluating Health Information Exchange (HIE)*. Poster presented at the AMIA 2019 Annual Symposium, Washington, D.C.

Menachemi, N., *The Anatomy and Philosophy of a Publishable Paper*. Accepted for oral presentation at the Academy of Management annual meeting, 2019, Boston, MA.

Menachemi, N., *Health Care Management Teaching Incubator*. Led a series of roundtable discussions about best practices in teaching doctoral students and in an online environment at the Academy of Management annual meeting 2019, Boston, MA.

-
- Menachemi, N.**, *Health Care Management Research Incubator: Research in the Rough*. Participated as a mentor and provided one-on-one feedback to four junior scholars on their work. Academy of Management annual meeting 2019, Boston, MA.
- Menachemi, N.**, *Predictive Analytics Enabling Providers to Mitigate the Effects of Social Determinants of Health*. Oral Presentation at the AMIA 2019 Informatics Educators Forum, St. Louis, MO.
- Rahurkar, S., Vest, J., Harle, C., **Menachemi, N.** *Scientific Evidence Now Links Health Information Exchange to a Wide Range of Benefits*. Accepted for Oral Presentation at the American Medical Informatics Association (AMIA) Annual Symposium, 2018, San Francisco, CA.
- Menachemi, N.** *The applicability of Responsible Research Innovation (RRI) to Health Care Management Scholarship* in joint symposium (divisions of Health Care Management and Organizations and the Natural Environment) entitled Improving Lives through Responsible Innovation; Practices and Challenges. Oral presentation at Academy of Management annual meeting 2018, Chicago, IL.
- Menachemi, N.**, *First year on faculty: How to hit the ground running*. Participated in a panel discussion session at the Academy of Management annual meeting 2018, Chicago, IL.
- Menachemi, N.**, *Health Care Management Teaching Incubator*. Led a series of roundtable discussions about best practices in teaching doctoral students and in an online environment at the Academy of Management annual meeting 2018, Chicago, IL.
- Menachemi, N.**, *Health Care Management Research Incubator: Research in the Rough*. Participated as a mentor and provided one-on-one feedback to four junior scholars on their work. Academy of Management annual meeting 2018, Chicago, IL.
- Menachemi, N.** *So You've Earned a Ph.D. – Now What: How to get academic jobs*. Oral Presentation at AcademyHealth Annual Research Meeting, 2018, Seattle, WA
- Hilts, K., **Menachemi, N.**, Vest, J. *Evaluating Environmental Tobacco Smoke Exposure Among Persistent Pediatric Asthma Patients Using Health Information Exchange*. Poster Presentation at AcademyHealth Annual Research Meeting, 2018, Seattle, WA
- Vest, J., Harris, L., Haut, D., Halverson, P., **Menachemi, N.** *Wraparound services as a strategy to reduce hospitalizations in a safety-net population*. Oral Presentation at AcademyHealth Annual Research Meeting, 2018, Seattle, WA
- Blackburn, J., Sen, B., Morrisey M., **Menachemi, N.**, Caldwell, C., Becker, D. *An Assessment of Quality Care for Children with Mental Health Hospitalizations*. Poster Presentation at AcademyHealth Annual Research Meeting, 2018, Seattle, WA
- Menachemi, N.** *Public Health Faculty Forum: Models for programs with both MPH and MHA degrees*. Oral Presentation at the AUPHA Annual Meeting, 2018, Philadelphia, PA.
- Lee J, Matthias M, Frankel R, **Menachemi N**, Weiner M. *Please go to the nearest emergency room: Consensus and lack thereof in provider approaches to secure messaging with patients*. Poster presentation at the Society of General Internal Medicine (SGIM) Annual Meeting, 2018, Denver, CO.

- Vest, J, Grannis, S, Williams, J, Haut, D, **Menachemi, N.** *Using EHR and HIE data to identify patients' need for services that address the social determinants of health.* Oral presentation at American Medical Informatics Association Annual Symposium, 2017, Washington, DC.
- Apathy, N., Vest, J., **Menachemi, N.**, Putz, J., Morea, J., Harle, C. *Differing patterns of satisfaction and perceptions among clinical and non-clinical users following replacement of a legacy EHR system.* Oral presentation at the American Medical Informatics Association annual symposium, 2017, Washington DC.
- Borkowski, N., O'Connor S., Williams, E., Harle, C., **Menachemi, N.**, *Measures of Impact and Productivity Levels of Scholarship by Health Management Faculty.* Oral presentation at the Academy of Management annual meeting, 2017, Atlanta, GA.
- Menachemi, N.**, *Establishing your Teaching Program: Junior Faculty RoundTable at the Professional Development Workshop,* Panelist at the Academy of Management annual meeting, 2017, Atlanta, GA.
- Menachemi, N.**, *Finding your Next Research Projects: Professional Development Workshop.* Oral presentation at the Academy of Management annual meeting, 2017, Atlanta, GA.
- Menachemi, N.**, *Understanding the Current Health Services Research Workforce and Maximizing its Future.* Podium presentation at AcademyHealth Annual Research Meeting, 2017, New Orleans, LA.
- Vest, J., Grannis, S., Kasthurirathne, S., Bako, A, **Menachemi, N.**, *Services for Social Determinants of Health Delivered in Primary Care Settings: Measurement & Prevalence.* Podium presentation at AcademyHealth Annual Research Meeting, 2017, New Orleans, LA.
- Bako, A., Apathy, N., Harle, C., **Menachemi, N.**, Vest, J. *User Concerns Following Replacement of a Legacy Electronic Health Record System: A Longitudinal Qualitative Study.* Poster presentation at AcademyHealth Annual Research Meeting, 2017, New Orleans, LA.
- Apathy, N., Vest, J., **Menachemi, N.**, Harle, C. *Changes in User Perceptions of Their Electronic Health Record Following the Replacement of a Legacy System.* Poster presentation at AcademyHealth Annual Research Meeting, 2017, New Orleans, LA.
- Hogan, T., Lemak, C., **Menachemi, N.**, Hearld, L., Wheeler, J., Sen, B. *The Relationship Between Hospital Vertical Integration of Sub-ACUTE Care and Performance.* Poster presentation at AcademyHealth Annual Research Meeting, 2017, New Orleans, LA.
- Tajeu, G., Kazley, A., Weech-Maldonado, R., Becker, D., **Menachemi, N.**, *30-Day Readmissions from 2009 to 2015: Time Trends in Rates and Hospital and Market Factors Associated with Improvements.* Poster presentation at AcademyHealth Annual Research Meeting, 2017, New Orleans, LA.
- Vest, J., **Menachemi, N.**, Halverson, P., *Improving population and clinical health with integrated services and advanced analytics.* Oral presentation at AcademyHealth Annual Research Meeting, 2016, Boston, MA.

FUNDED GRANTS AND CONTRACTS:

- *Indiana Public Health System Review.* (October 2020-December 2020) PI: Paul Halverson/Valerie Yeager. Funded by the Richard M. Fairbanks Foundation (Total Funding: \$70,000) Role: **Co- Investigator**
- *Predictive modeling for social needs in emergency department settings.* (2021 – 2025) PI: Joshua Vest. Funded by the Agency for Healthcare Research and Quality, R01 (Total Funding: \$1,967,217). Role: **Co-Investigator**
- *Randomized COVID-19 testing in vulnerable communities and risk tool creation.* (2020-2021) MPIs: Bernard Black, John Muerer. Funded by NIH National Center for Advancing Translational Sciences RADxUP COVID-19 project (Total Funding: 3,250,000; IU Subcontract: \$21,751). Role: **Site Principal Investigator**
- *Random Sample Testing for SARS-CoV-2 in Indiana.* (2020) PI: Menachemi, N. Funded by the Indiana State Department of Health (Total Funding: \$346,953). Role: **Principal Investigator**
- *Nudging Primary Care Providers toward Guideline-Recommended Opioid Prescribing through Easier and More Convenient EHR Information Design.* (2020-2022) PIs: Harle, C. & Mazurneko, O. Funded by the National Institute for Drug Abuse at NIH. (Total Funding: \$981,643). Role: **Co-Investigator**
- *Outcomes associated with receiving Medicaid coverage following incarceration among adults in Indiana.* (2020) PI: Blackburn, J. Funded by the Indiana Family and Social Services Administration (Total Funding: \$125,000). Role: **Co-Principal Investigator**
- *Analyses of Indiana statewide SARS-CoV-2 testing of nursing home staff.* (2020) PI: Blackburn, J. Funded by the Indiana State Department of Health (Total Funding: \$31,427). Role: **Co-Investigator**
- *Understanding Policies, Strategies, and Best Practices that can affect Healthcare Costs: A Synthesis of the Evidence.* (2019). PI: Menachemi, N. Funded by: Indiana University Health (Total Funding: \$214,582) Role: **Principal Investigator**
- *Expansion and evaluation of the effectiveness of risk prediction for social needs at Eskenazi Health.* (2019-2020). PI: Vest, J. Funded by the Eskenazi Health Foundation (Total Funding: \$110,400) Role: **Co-Principal Investigator**
- *ALL Kids Special Projects in Health Services Research.* (2019). PI: Blackburn, J. Funded by ALL Kids, The Alabama State Child Health Insurance Program (CHIP) (Total Funding: \$54,800) Role: **Co-Principal Investigator** on subcontract from UAB to Indiana University.
- *State Health Officials: Career Advancement and Sustainability Evaluation (SHO-CASE) Dissemination.* (September 2018- May 2019). PI: Halverson, P. Funded by the de Beaumont Foundation (Total Funding \$48,500) Role: **Co-Investigator**
- *Using Health Information Exchange Data to Assess Disenrollment in Medicaid: Personal Responsibility and Health Care Utilization in Indiana.* (2018-2019). PI: Blackburn, J. Funded by the Robert Wood Johnson Foundation (Total Funding: \$147,427). Role: **Co-Investigator**

- *Addressing upstream determinants of health through collaboration and analytics to improve health for new population groups.* (2018-2020). PIs: Vest, J & Halverson, P. Funded by the Robert Wood Johnson Foundation (Total Funding: \$1,000,000). Role: **Co-Investigator**
- *ALL Kids Special Projects in Health Services Research.* (2015-2018). Funded by ALL Kids, Alabama's State Child Health Insurance Program (CHIP) (Total Funding: \$135,500) Role: **Principal Investigator** on subcontract from UAB to Indiana University.
- *Using health information exchange to support pediatric household asthma exposure assessment* (2016-2017). PI: Vest, J. Funded by the Marion County Department of Public Health (Total Funding: \$58,000). Role: **Co-Principal Investigator**
- *The Relationship between integrated service delivery and quality and cost outcomes for mental health* (2016-2017). PI: Menachemi, N. Funded by the Indiana Family and Social Services Administration (Total Funding: \$514,193). Role: **Principal Investigator**
- *Statewide Population Health Summit: Strategies and Synergy in Health Information for Indiana* (2016-2017). PI: Vest, J. Funded by the State Health Value Strategies Program of the Robert Wood Johnson Foundation on behalf of the Indiana State Department of Health (Total Funding: \$39,639). Role: **Co-Principal Investigator**
- *Eskenazi Health Scholars Program for dual degree MHA-MPH students* (2016-2020). PI: Menachemi, N. Funded by Eskenazi Health (Total Funding: \$400,000). Role: **Principal Investigator**
- *Improving population and clinical health with integrated services and advanced analytics.* (2016-2018). PI: Halverson, P. Funded by the Robert Wood Johnson Foundation (Total Funding: \$998,357). Role: **Co-Investigator**
- *Wellness promotion and injury prevention among athletes: review of risks and impact of periodization, specialization and over use.* (2015-2016). PI: Vest, J. Funded by the National Collegiate Athletic Association (NCAA) (Total Funding: \$41,265) Role: **Co-Principal Investigator**
- *Enhancing Public Health by Transforming Leadership Opportunities for State Health Officials.* (2015-2016) PI: Halverson, P. Funded by the de Beaumont Foundation (Total Funding: \$227,605). Role: **Co-Investigator**
- *Mind Matter Challenge Administration and Evaluation.* (2015-2019). PI: Silverman, RD. Funded by the National Collegiate Athletic Association (NCAA) (Total Funding: \$199,563) Role: **Co-Investigator**
- *ALL Kids Special Projects in Health Services Research.* (2011-2015). Funded by ALL Kids, Alabama's State Child Health Insurance Program (CHIP) (Total Funding: \$1,430,225) Role: **Principal Investigator**
- *Quality Assessment of Alabama Hospitals for the Alabama Power Company.* (2014-2015). PI: Kilgore, ML Funded by The Southern Company (Total Funding: \$295,000). Role: **Co-Investigator**
- *Evaluation of the Alabama Health Information Exchange.* (2012-2014). PI: Mennemeyer, S., Funded by the Alabama Medicaid Agency (Total Funding: \$385,852) Role: **Co-Investigator**

- *Jefferson County Department of Health & UAB School of Public Health - Partnership for Research.* (2009 - 2015). Funded by Jefferson County Department of Health (Total Funding: \$304,666) Role: **Principal Investigator**
- *Exploring Barriers to Public Health Emergency Response (PHER) Grant Fund Expenditures.* (2011-2012). Funded by the Centers for Disease Control and Prevention (CDC), under Contract Number 200-2011-39419 (Total Funding: \$209,911) Role: **Principal Investigator**
- *Toward Standardized Measurement Systems for Rating and Ranking the Fidelity of Research Reporting in the Nutrition and Obesity.* (2011). PI: Allison, DB. Funded by The Coca-Cola Company (Total Funding: \$150,000) Role: **Co-Investigator**
- *Investigating reasons for drop-outs and barriers to re-enrollment among Medicaid and CHIP enrollees in Alabama.* (2010-2011). Funded by Robert Wood Johnson Foundation via a subcontract through ALL Kids, Alabama's State Child Health Insurance Program (Total Funding: \$49,555) Role: **Principal Investigator**
- *Tobacco Use Prevention and Cessation Initiative- Overall Program Evaluation.* (2010-2012). Funded by Centers for Disease Control and Prevention through a subcontract with United Way of Central Alabama, Inc. (Total Funding: \$350,003) Role: **Principal Investigator**
- *Communities Putting Prevention to Work against Obesity- Overall Program Evaluation.* (2010-2012). Funded by Centers for Disease Control and Prevention through a subcontract with United Way of Central Alabama, Inc. (Total Funding: \$285,963) Role: **Principal Investigator**
- *Health Information Technology Curriculum Development Project.* (2010-2012). PI: Berner, ES. Funded by U.S. Department of Health and Human Services Office of the National Coordinator for Health Information Technology (ONC-HIT) (Total Funding: \$1,820,000) Role: **Co-Investigator**
- *ALL Kids Special Projects in Health Services Research.* (2009-2011) Funded by ALL Kids, Alabama's State Child Health Insurance Program (CHIP) (Total Funding: \$310,462) Role: **Principal Investigator**
- *Taxonomy of Public Health Preparedness Programs.* (2009-2010). Funded by the Centers for Disease Control and Prevention (CDC), under Contract Number 200-2009-M-28864 (Total Funding: \$97,978) Role: **Principal Investigator**
- *Leadership Education in Maternal and Child Health at UAB.* (2009-2014). PI: Wingate, MS. Funded by the Health Resources and Services Administration (HRSA), under Contract Number: 5-T76MC00008-25-00 (Total Funding: \$380,000) Role: **Co-Investigator**
- *Public Health Training Center.* (2009-2010). PI: McCormick, L. Funded by the Health Resources and Services Administration (HRSA) via a subcontract through Tulane University, under Contract Number TUL-HSC-181 (Total Funding: \$86,416) Role: **Co-Investigator**
- *Health Information Technology Strategies' Impacts on Productivity.* (2009). PI: Ford, E. Funded by the McDowell Research Center for Global IT Management at the University of North Carolina at Greensboro (Total Funding \$5,000) Role: **Co-Investigator**

- *South Central Center for Public Health Preparedness.* (2008-2010). PI: Ginter, PM. Funded by the Centers for Disease Control and Prevention (CDC), under Contract Number 3U90TP424261-05W1 (Total Funding: \$1,150,602) Role: **Co-Investigator**
- *Evaluation of the "Together for Quality" Transformation Grant for the Alabama Medicaid Program.* (2008-2010). PI: Bronstein, J. Funded by Alabama Medicaid (Total Funding: \$314,858) Role: **Co-Principal Investigator**
- *Quality of Care among Florida Medicaid Recipients.* (2007-2008). PI: Brooks, RG. Funded by the Florida Medicaid Program through Federal matching funds (Total Funding: \$248,251) Role: **Co-Principal Investigator**
- *Rural and Urban Physician IT Use.* (2007). Funded by the Florida Department of Health (Total Funding: \$14,600). Role: **Principal Investigator**
- *Expanding the Use of Health Information Technology in Florida Office-based Practices.* (2007-2009) PI: Whitson, F. Funded by the Physicians' Foundation for Health System Excellence (Total Funding: \$498,488). Role: **Co-PI** on overall project; **Principal Investigator** on sub-contract to FSU (\$80,675).
- *The Academic Patient Safety Center Research Consortium of Florida.* (2005-2006). PI: Wolfson, J. Funded by the Florida Patient Safety Corporation (Total Funding: \$300,000). Role: **Co-Investigator** on overall project; **Principal Investigator** on sub-contract to FSU (\$55,000).
- *A Partnership with the State of Florida to Develop Policy Relevant Studies in Health Services Research.* (2005-2008) PI: Brooks, RG. Funded by the Agency for Health Care Administration (Total Funding: \$690,000). Role: **Co-Principal Investigator**
- *Needs assessment and examination of IT adoption and intentions among Florida's practicing physicians.* (2005-2006). Funded by the Center for Medicare and Medicaid Services (CMS), Department of Health and Human Services, Under Contract Number 500-02 FL02. (Total Funding: \$285,513). Role: **Principal Investigator**
- *Exploring the Return on Investment Associated with Hospital Information Technologies.* (2004-2005). Funded by the Florida Legislature in Specific Appropriation 551 in the 2004-2005 General Appropriations Act (Total Funding: \$113,500). Role: **Principal Investigator**
- *A Pilot Project to Assess the Feasibility and Applicability of Mobile Information Technology at a Rural Community Hospital.* (2004). Funded by the Florida Agency for Health Care Administration (Total Funding: \$159,500). Role: **Principal Investigator**
- *Investigating the effect of the Medical Malpractice crisis on access to Physician Services in Rural and Urban Florida.* (2004) PI: Clawson, AE. Funded by Blue Cross/Blue Shield Center on Rural Health Policy (Total Funding: \$15,000). Role: **Co-Investigator**
- *Patient Safety Summit for Hospital CEOs.* (2004). Funded by the Florida Agency for Health Care Administration (Total Funding: \$59,500). Role: **Principal Investigator**

- *Bioterrorism Needs Assessment and Training for Florida's Community Health Centers.* (2003-2004)
PI: Clawson, AE. Funded by Florida Department of Health (Total Funding: \$90,000).
Role: **Co-Investigator**
- *Litigation Alternatives: Creating Incentives to Error Reduction and Improved Patient Safety.* (2003-2004)
PI: Wolfson, J. Funded by the Florida Agency for Health Care Administration (Total Funding: \$106,931).
Role: **Co-Investigator**
- *Assessing the Impact of Information Technology in Florida's Rural Hospitals.* (2003). Funded by Blue Cross/Blue Shield Center on Rural Health Policy (Total Funding: \$50,000). Role: **Principal Investigator**
- *Access to Physician Services in Rural Florida.* (2003) PI: Brooks, RG. Funded by Florida Department of Health, Office of Rural Health (Total Funding: \$15,000). Role: **Co-Principal Investigator**
- *Development of Core Competencies and Educational Curricula for Health Care Students in Colleges of Medicine and Nursing.* (2002-2003) PI: Brooks, RG. Subcontract Funded by Department of Defense (Total Funding: \$124,360). Role: **Co-Investigator**
- *Improving Primary Care Patient Safety with Handheld Decision Support Systems.* (2001-2004) PI: Berner, ES. Funded by the Agency for Healthcare Research and Quality (AHRQ: HS11820-01 Total Funding \$734,381). Role: **Research Consultant** (2001-2002 only)
- *Surgical Services Department Time and Motion Study.* (2001). Funded by the Brookwood Medical Center, Surgical Services Department, Birmingham, AL (Total Funding: \$6,000). Role: **Principal Investigator**

INVITED PRESENTATIONS:

Menachemi, N., *Indiana's response to COVID-19 using data.* Invited Panelist at the Indiana Management Performance Hub Data Day Conference. March 24, 2021.

Menachemi, N., *Fairbanks Prevalence Study Update: How soon to Herd Immunity in Indiana?*

- Presented to Bicentennial Scholars Program, IU School of Medicine. March 24, 2021.
- Presented at 17th Annual Parkview Research Symposium. March 4, 2021
- Presented at Indiana Pandemic Information Collaborative's (IPIC) COVID-19 Meeting. February 2, 2021.

Menachemi, N., *Covid-19 Disparities in our Communities: Results of Indiana SARS-CoV-2 Prevalence Study.* Presented at the IUPUI Inspire Conference. March 2, 2021.

Menachemi, N., *Anatomy, Physiology, & Pathology of the US Health Care System.* Grand Rounds presentation at the IU School of Medicine Department of Physical Medicine and Rehabilitation. February 23, 2021.

Menachemi, N. Invited to speak at Capital University in the Department of Math, Computer Science and Physics Seminar Series. Presented *How Statistics, Data Analytics, and Informatics Helped in the Fight Against COVID-19.* February 15, 2021.

Menachemi, N., *Indiana Prevalence Study: Wave 3 Results.*

- Presented to the Indiana State Medical Association. December 10, 2020.
- Presented to the Indianapolis Coalition for Patient Safety. January 12, 2020.

Menachemi, N., *The Anatomy, Physiology, and Pathology of the US Healthcare System.* Our Community, Our Kids seminar series. November 11, 2020.

Menachemi, N., *Indiana's Leadership Role in Understanding Coronavirus Infections.* [WTIU 3rd Annual Conference](#) on Aging. October 31, 2020.

Menachemi, N., *Indiana's Leadership Role in Understanding Coronavirus Infections.* Indiana Pandemic Information Collaborative's (IPIC) COVID-19 Educational Seminar Series. October 22, 2020.

Menachemi, N., *Understanding SARS-CoV-2 Infections in Indiana.* IUPUI Chancellor's Board of Advisors meeting. October 12, 2020.

Menachemi, N., *Indiana Policy Forum: Cost of Cancer Care.* Panelist at the American Cancer Society Cancer Action Network Policy Forum annual meeting. September 29, 2020.

Menachemi, N., *The State of Indiana's Health: Social Determinants of Health and Cost Drivers.* Presented to the Indianapolis Leadership Exchange, Indy Chamber. September 21, 2020.

Menachemi, N., *Understanding SARS-CoV-2 Infections in Indiana.* Presented to the Indianapolis Coalition for Patient Safety, Inc. September 9, 2020.

Menachemi, N., *COVID-19 What Leadership Lessons Have we Learned?* Expert panelist on Webinar part of the Annual Awards Program, Indiana Health Executive Network (iHEN). August 28, 2020.

Menachemi, N., *Understanding SARS-CoV-2 in Indiana: Data Type, Fatality Rates, and Wave 2 Results.* Presented to the Indiana State Medical Association. July 23, 2020.

Menachemi, N., *Tracking SARS-CoV-2 in Indiana.* Presented on webinar hosted by the Indiana Hospital Association. July 2, 2020.

Menachemi, N., *Wraparound Services: Implications for Rural America.* Presented at the virtual workshop "Population Health in Rural America in 2020." Hosted by Roundtable on Population Health Improvement, The National Academies of Science, Engineering, and Medicine. June 24, 2020.

Menachemi, N., *COVID-19 and Community Disparities in Indiana.* Presented at the virtual colloquium "COVID-19: Health Disparities, Communities, and Discrimination." Hosted by Indiana University School of Public Health- Bloomington. June 18, 2020.

Menachemi, N., *Prevalence of COVID-19 in Indiana: Results of the Statewide Random Sample Testing.* Presented on webinar hosted by the Rotary Club of Indianapolis. June 16, 2020.

Menachemi, N., *Prevalence of COVID-19 in Indiana: Results of the Statewide Random Sample Testing.* Presented on webinar hosted by the Indiana Hospital Association. June 3, 2020.

- Menachemi, N.,** *Preliminary results estimating the Population Prevalence of COVID-19.* Presented as a webinar to the medical staff at IU Health. June 1, 2020.
- Menachemi, N.,** *Population Prevalence of COVID-19: Preliminary Results.* Presented webinar at the Health Policy Workshop at IU O'Neill School of Public and Environmental Affairs. May 28, 2020.
- Menachemi, N.,** *The Difference between How Many Have Been Infected vs. How Many Have Tested Positive.* Presented as a webinar to the IU Kelley School of Business Physician MBA program. May 27, 2020.
- Menachemi, N.,** *Updates on Covid-19 Modeling: Evolving assumptions, model performance, and lessons learned.* Presented on webinar hosted by the Indiana Hospital Association. April 22, 2020.
- Menachemi, N.,** *Covid-19 Estimates and Models for Perry County Memorial Hospital and District.* Presented to the Board of Directors of Perry County Memorial Hospital. April 22, 2020.
- Menachemi, N.,** *Indiana's Covid Response - the data.* Presented as a panelist on webinar hosted by the Indiana chapter of HIMSS. April 21, 2020.
- Menachemi, N.,** *Addressing Factors that Affect Health Care Costs: Recommendations for Indiana Stakeholders.* Presented to the Indiana State Medical Association Board of Directors, Indianapolis, Indiana, March 8, 2020.
- Menachemi, N.,** *Innovations in Health Care AI: A View from the US.* Presented at Sanitas Health Insurance, Zurich Switzerland, February 24, 2020.
- Menachemi, N.,** *Understanding Population Health Management.* Presentation at Hall Render Killian Heath & Lyman Law Firm, Indianapolis, Indiana, January 27, 2020.
- Menachemi, N.,** *Underrepresented Racial Minorities in Biomedical Informatics: PhD Graduation & Academic Job Trends (2002-2017).* Work-in-progress presentation at the Regenstrief Institute, Indianapolis, Indiana, January 8, 2020.
- Menachemi, N.,** Presented in Virtual International Conference on *Responsible Innovation for Smart Health*, by Living Innovation, Coordinated by Institute for Managing Sustainability. Vienna, Austria, June 11-12, 2019.
- Menachemi, N.,** *Population Health Bootcamp for CTSI Trainees.* Indianapolis Indiana, May 17, 2019.
- Menachemi, N.,** *Lessons Learned from Lean Implementation at IU Health (2013-2017).* Work-in-progress presentation at the Regenstrief Institute, Indianapolis, Indiana, May 8, 2019.
- Menachemi, N.,** *Preparing Manuscripts for Publication: The Anatomy of a Publishable Article.* Presented Vienna University of Economics and Business. Vienna, Austria, March 18-21, 2019.
- Menachemi, N.,** *Preparing Manuscripts for Publication: The Anatomy of a Publishable Article.* Presented at the Indiana University School of Nursing T32 Training Program. Indianapolis, Indiana, Spring, 2019.

- Menachemi, N.,** *The Role of Population Health in the Current Complex Healthcare Environment.* IU Health Methodist Hospital, Emergency Medicine Department Grand Rounds. May 10, 2018.
- Same presentation at Community Health Network, Psychiatry Grand Rounds. September 20, 2018.
- Menachemi, N.,** *Preparing Manuscripts for Publication: The Anatomy of a Publishable Article.* Presented at the Department of Psychology at Purdue University. Indianapolis, Indiana, Summer, 2018.
- Menachemi, N.** Invited to speak at Georgia Southern University Jiann-Ping Hsu College of Public Health Lecture Series of the Gamma Theta Chapter of Delta Omega Honorary Society in Public Health. Statesboro, GA, February 23, 2018.
- Menachemi, N.** *The Case for Care Integration.* Presented at the Eskenazi Health Care Integration Symposium. Indianapolis, IN, February 3, 2018.
- Menachemi, N.** The “Public Healthification” of the US Healthcare System: Opportunities & challenges for Local Health Departments. Keynote Address presented at the annual Health and Hospital Corporation of Marion County staff appreciation day. Indianapolis, IN, November 17, 2017.
- Menachemi, N.,** *Doctoral Graduation Trends from the Public Health Disciplines (2003-2015): Under-represented minorities, interdisciplinary training, & employment prospects.* Seminar presented at Tulane University, New Orleans, LA on December 1, 2016; and Texas A&M University, College Station, TX, September 29, 2017.
- Menachemi, N.** *Impact of Health Information Exchange: What Does the Scientific Evidence Say?* Conference on National Health Record System: Local and Global Challenges and Opportunities. Ono Academic College, Israel. September 5, 2017.
- Menachemi, N.,** *Preparing Manuscripts for Publication: The Anatomy of a Publishable Article.* Presented at the Indiana University School of Nursing T32 Training Program. Indianapolis, Indiana, Spring, 2017.
- Menachemi, N.,** *The Role of Population Health in the Current Complex Healthcare Environment.* Riley Hospital and Indiana University School of Medicine Department of Pediatrics Grand Rounds. August 30, 2017. *Also presented at division of Pediatric Critical Care at Riley Children’s Hospital research meeting.* January 18, 2017.
- Menachemi, N.,** *Salaries & Work Activities of Faculty Members in our Discipline (2009 – 2015),* Seminar presented at Tulane University, New Orleans, LA, December 1, 2016.
- Menachemi, N.,** *Insider’s Scoop on the HSR Workforce Conference.* 2016 AcademyHealth Meeting of Members Webinar, October 27, 2016.
- Menachemi, N.,** *Real World Case Studies of a Quasi-experiment.* Strengthening Causal Inference in Behavioral Obesity Research, 2nd NHLBI Short Course. Birmingham, AL. July 27, 2016. [Presented same presentation at 3rd NHLBI Short Course on July 26, 2017]
- Menachemi, N.,** *Population Health, Payment Models, & Outcomes: Making Sense of the Complex Healthcare Environment.* Indiana Healthcare Strategic Communications Summit. Terre Haute, IN. July 22, 2016.

- Menachemi, N.,** *Payment Models, Incentives & Outcomes: Making Sense of the Complex Healthcare Environment.* Presented at the Indiana Primary Health Care Association annual meeting. Indianapolis, IN. May 3, 2016.
- Menachemi, N.,** *Preparing Manuscripts for Publication: The Anatomy of a Publishable Article.* Presented at Vienna University of Economics and Business. Vienna, Austria, May, 2016.
- Menachemi, N.,** *Use of Foreign-Educated Nurses and Patient Satisfaction in US Hospitals.* Presented at Indiana University School of Nursing Research Seminar Series. February 2, 2016.
- Menachemi, N.,** *Impact of HIE on Outcomes: Is Population Health Management the Missing Link?* Presentation at Health Informatics Tri-State Summit. University of Southern Indiana, Evansville, IN, January 27, 2016.
- Menachemi, N.,** *Population Health and the US Healthcare System: What role can IT play in Indiana?* Presentation at workshop entitled “Indiana’s Opportunity to Lead in Digital Health: Are Hoosiers getting Healthier? Putting Data Analytics to Work.” Regenstrief Institute, Indianapolis, Indiana, January 26, 2016.
- Menachemi, N.,** *Eskenazi Health Scholars Program: Where health administration meets public health.* Eskenazi Health, Indianapolis, Indiana, January 25, 2016.
- Menachemi, N.,** *Impact of HIE on Outcomes: A systematic review and meta-analysis.* Work-in-progress presentation at the Regenstrief Institute, Indianapolis, Indiana, March 25, 2015.
- Menachemi, N.,** *Can Innovation Thrive in a Limited Resource Environment?* Invited speaker and thought-provoker to the 2014 biennial Regenstrief Institute “Think-Tank” Conference. Turkey Run State Park, Indiana, October 1 – 3, 2014.
- Menachemi, N.,** *Healthcare Workforce as an Economic Engine in Rural Alabama.* Invited moderator and speaker to the “Wicked Problem Discussion” hosted by Alabama Area Health Education Centers (AHEC). Birmingham, AL, August 21, 2014.
- Menachemi, N.,** *Inter-Professional Education: Educating the Full Clinical Team.* Invited speaker to the Medscape/WebMD Education “Hot Topics” lecture series. New York, NY, April 15, 2015; and San Francisco, CA, April 17, 2014.
- Menachemi, N.,** *Preparing Manuscripts for Publication: The Anatomy of a Publishable Article.* Presented at Medscape/WebMD. New York, NY, March 26, 2014.
- Menachemi, N.,** *Can you believe everything you read in the scientific literature? Inaccuracies in top nutrition and obesity studies.* Invited seminar speaker at the Jiann-Ping Hsu College of Public Health at Georgia Southern University, Statesboro, GA, February 24, 2014.
- Menachemi, N.,** *Patient Safety in the Context of Healthcare Quality.* UAB Health Quality and Patient Safety Forum. November 15, 2013; and March 21, 2014.
- Menachemi, N.,** *Academic Advancement in the School of Public Health: What does it take to get promoted?* 14th Annual Seminar Hosted by the UAB School of Public Health Faculty Affairs Committee. October 4, 2013

- Menachemi, N.,** *Utilizing EHR Data for Policy Research: Investigating the Impact of Urban Parks on Childhood Obesity.* Center for Healthcare Informatics and Policy at Weill Cornell Medical College, New York, NY, June 13, 2013.

- Quoted as an expert in “*Start Early to Leverage Optimal HIT Benefits from ARRA Funds*” By: Stacie Borrello, published in [Healthcare Information Technology Alert](#). Volume 1(1), September, 2009.
- Had research described in “*Could Federal Government Efforts Be Slowing EHR Adoption?*” By: Kate Ackerman published in [iHealthBeat](#) by the California Healthcare Foundation. June 1, 2009.
- Quoted as an expert and had research showcased in “*Information tech: Benefits and drawbacks for hospitals*” By: Melinda Young, published in [Clinical Trials Administration](#), May, 2009. Vol. 7(5).
- Quoted as an expert in “*Lemak Sports Medicine implementing electronic data system*” By: Jimmy Debutts, published in [Birmingham Business Journal](#), April 10, 2009.
- Quoted as an expert in “*New Children’s is a pioneer in paperless*” By: Allison M. Heinrichs, published in [Pittsburgh Tribune-Review](#), April 5, 2009.
- Quoted as an expert in “*Reinvestment Act will spur more research and produce more health data*” By: Melinda Young, Published in [Clinical Trials Administration](#), April, 2009. Volume 7(4).
- Showcased in “*Alumni in Action*” By: Cindy Riley, published in [UAB Health Professions Research and Education Magazine](#), Fall, 2008.
- Quoted as an expert in “*Doctors lament likely staffing shortage*” By: Anne Geggis, published in the [Daytona Beach News-Journal](#). June 22, 2008
- Quoted as an expert in “*But wouldn’t it be easier? Why doctors don’t email*” By: Michelle Eubanks, published in the [Times Daily](#). April 27, 2008
- Appeared on online audio feature entitled “*IT’s Safety Impact*” published by HealthLeaders Media. Interviewed by: Gary Baldwin. Originally aired February 11, 2008.

- Quoted as an expert and had research described in *“Study Links Hospitals’ IT Use to Improved Patient Outcomes”* Published in [iHealthBeat](#) by the California Healthcare Foundation. December 20, 2007.
- Appeared on television news program *“The Good Morning Show”* on the local CBS Channel (WCTV). Interviewed by Claudine Cleophat regarding research project examining hospital IT adoption and improved patient outcomes. Originally aired on December 13, 2007.
- Appeared on North Florida NPR radio (WFSQ) news program *“Headlines”* on segment entitled *“FSU study finds patients fare better in hospitals using info technology”* Interviewed by Molly Smith Originally aired on December 13, 2007.
- Quoted as an expert and had research described in *“Information Technology Improves Hospital Health Care, New Study Says”* By: Paul Icamina, published in [All Headline News](#). December 13, 2007.
- Quoted as an expert and had research described in *“Research Builds Case for Hospital IT Adoption to Boost Safety”* By: Kate Ackerman, published in [iHealthBeat](#) by the California Healthcare Foundation. December 12, 2007.
- Had research appear on television news program *“Fox at Five News”* Fox 35 Orlando (WOFL).
- The segment *“Shortage of Doctors in Central Florida”* was reported by Lauren LaPonzina highlighted our published article on physician workforce in Florida. Originally aired on November 29, 2007.
- Had research described in *“As obesity, uninsured rates rise, U.S. health is in decline”* By: Robyn Shelton in the [Orlando Sentinel](#). November 20, 2007.
- Had research described in *“Report: Florida has fewer doctors than previously estimated”* By: Harry Wessel in the [Orlando Sentinel](#). November 9, 2007.
- Had research described in *“Survey: State Doctor Population Shrinking”* By: Diane Chun in the [Gainesville Sun](#). November 8, 2007.
- Quoted as an expert and had research described in *“Doctor Motivation Influences Degree of EHR Adoption”* By: Kate Ackerman, published in [iHealthBeat](#) by the California Healthcare Foundation. October 9, 2007.
- Quoted as an expert and had research discussed in *“Electronic Medical Records: ROI Hard to Quantify”* By: Roy Moore, published in [HealthLeaders InterStudy](#), National Managed Care Outlook, June, 2007
- Quoted as an expert and had research discussed on the use of information technologies in healthcare in *“Can information technology save our nation’s health care?”* by Wendy Dahle, published in the [Bradenton Herald](#), June 22, 2007
- Interviewed and had research extensively described in the cover story entitled *“Disappearing Docs”* by: Christine Suh, published in [Research in Review](#). Vol. XVII No. 1, Spring 2007.
- Interviewed and had research described in *“EHR Adoption Requires Multi-Pronged Strategy”* by: Cindy Atoji, published in [Bio-IT World](#). January 25, 2007
- Interviewed and had research described in *“Hospitals Skirt Law on Errors”* by: Carol Gentry; published in [Tampa Tribune](#). December 28, 2006
- Interviewed and quoted as an expert in *“Changing the Target of EHR Incentive Programs”* By: Kate Ackerman; [iHealthBeat](#) published by the California Healthcare Foundation. October 27, 2006.
- Appeared on television news program *“Eyewitness News”* on the local CBS Channel (WCTV). Interviewed by Leonard Horton regarding *Health Affairs* publication about public health spending in the U.S. Originally aired on July 20, 2006.
- Interviewed and had research extensively described in *“Medicine flips the switch”* by Doug Carlson; published in FSUMED Summer 2006 issue.
- News story summarizing keynote address at HIMSS California meeting appeared as *“Time is running*

out for ROI” by Christina Thielst; published in Health-IT World News e-Newsletter, May 16, 2006

- Interviewed and had research described in *“Methodology may help hospitals evaluate ROI for IT investments”* by Jay Greene; published in Performance Improvement Advisor, 10(5)52-54. May 2006
- Interviewed and had research article referenced in *“Put down the pen, pick up the mouse”* by Debra Wood; published in Florida Medical Business, April 11, 2006.
- Interviewed and had research article referenced in *“Technology can affect hospitals’ bottom line”* by Wendy Dahle; published in Bradenton Herald, April 9, 2006.
- Interviewed and quoted as an expert in *“Researchers Link Hospital IT Investments to Better Returns”* by John Carroll; appearing in Mississippi Medical News, March 24, 2006. Reprint of *“Researchers Link Hospital IT Investments to Better Returns”* by John Carroll was published in Nashville Medical News, April 2006. pg. 6.
- Appeared on North Florida NPR radio (WFSQ) news program *“Headlines”* on segment entitled “Florida State health care researcher proves a positive return on investment for information technology in hospitals.” Interviewed by Katie Flanagan, Headlines Radio Producer. Originally aired on March 6, 2006.
- Quoted as an expert and had research article referenced in *“FSU: IT pays off for hospitals”* published in The South Florida Business Journal, February 6, 2006.
- Interviewed and quoted as an expert in *“Health IT Adoption Related to Positive Financial Performance”* By: Kate Ackerman; iHealthBeat published by the California Healthcare Foundation. February 3, 2006.
- Interviewed and quoted as an expert in *“EHR adoption may take an extra 10 years: study”* by Andis Robeznieks; appearing in Modern Healthcare, January 11, 2006.
- Interviewed and quoted as an expert in *“Study: EHR Adoption Predicted Not to Meet 2014 Goal”* by Kate Ackerman; iHealthBeat published by the California Healthcare Foundation. January 10, 2006.
- Commentary on article “The Digital Hospital” (cover story Mar. 28) published as a letter to the editor in Business Week (McGraw-Hill Company) April 18, 2005.
- Quoted as an expert and had research article referenced in *“Rising Malpractice Premiums Hit Home for Nurses”* by Lisette Hilton; published in Nursing Spectrum January 17th 2005: Florida Edition.
- Quoted as an expert on use of computerized order entry systems in *“Medical Errors: My Child’s Story”* by John McCormick; published in Baseline Magazine August 2004 issue 033, p.44 Ziff Davis Media.
- Appeared on television news program *“Capitol Update”* Episode 809 on the Florida Channel (WFSU). Interviewed by Theresa Marsenburg regarding the completion of a data sharing project and the use of information technology by physicians in a small local hospital. Originally aired on November 27, 2004.

TEACHING and MENTORING EXPERIENCE:

Dissertation Committees as Chair

- Robin Danek (PhD, Health Policy and Management): currently working on dissertation
- Elizabeth Danielson (PhD, Health Policy and Management): defended September 14, 2020.
 - *Accepted postdoctoral fellowship in health services research at Northwestern University.*
- Casey Balio (PhD, Health Policy and Management): defended May 18, 2020.

- *Accepted postdoctoral fellowship in health services research at University of North Carolina at Chapel Hill*
- Katy Hilts (PhD, Health Policy and Management): defended January 21, 2020.
 - *Accepted postdoctoral fellowship in behavioral oncology at Indiana University*
- Joanna Jackson (PhD, Health Policy and Management): defended July 29, 2019.
 - *Accepted tenure track position at Winthrop University*
- Will Tarver (DrPH, Public Health Management): defended June 19, 2015.
 - *Accepted postdoctoral fellowship in cancer/health IT at Indiana University*
- Saurabh Rahrurkar (DrPH, Public Health Management): defended June 18, 2015.
 - *Accepted postdoctoral fellowship in public health informatics at Regenstrief Institute*
- Taleah Collum (Ph.D. Health Services Administration): defended on October 21, 2013.
 - *Accepted tenure track position at Jacksonville State University College of Business*
- Alva Ferdinand (DrPH, Public Health Management): defended on June 21, 2013.
 - *Received the 2014 AcademyHealth Outstanding Dissertation Award*
 - *Accepted tenure track position at Texas A&M University School of Public Health*
- Valerie Yeager (DrPH, Public Health Management): defended on January 20, 2012.
 - *Accepted tenure track position at Tulane University School of Public Health and Tropical Medicine*
- Anantachai “Tony” Panjamapirom (Ph.D. Health Services Administration): defended on July 27, 2010.
 - *Accepted position as Consultant at The Advisory Board Company*
- Gouri Gupte (Ph.D. Health Services Administration): defended on July 6, 2010.
 - *Accepted tenure track position at Boston University School of Public Health*

Dissertation Committee Membership

- Amy DeLozier (DrPH, Global Health): currently working on dissertation
- Melora Ferren (PhD, Nursing Science): currently working on dissertation
- Kevin Wiley (PhD, Health Policy and Management): currently working on dissertation
- Michael Mayo (DHA, Health Administration): defended on April 7, 2021.
- Amanda Noth-Matchett (PhD, Nursing Science): currently working on dissertation
- Heather Taylor (PhD, Health Policy and Management): currently working on dissertation
- Abdulaziz Bako (PhD, Health Policy and Management): defended on January 21, 2021.
- Elizabeth Golembiewski (PhD, Health Policy and Management): defended on June 26, 2019.
- Cody Mullen (PhD, Health Policy and Management): defended on June 11, 2018.
- Fady Qaddoura (PhD, Philanthropic Studies): defended on March 29, 2018.
- Connor Norwood (PhD, Health Policy and Management): defended on May 9, 2017.
- C. Tory Hogan (PhD, Health Services Administration): defended on November 2, 2016
- Macey Henderson (PhD, Health Policy and Management): defended on May 24, 2016.
- Whitney Smith (DrPH, Maternal and Child Health Policy): defended on June 21, 2016.
- Alfonso Gatmaitan (DSc, Health Services Administration): defended June 26, 2015.
- Anna Joy Rogers (DrPH, Outcomes Research): defended March 20, 2017.
- Kenneth Cochran (DSc, Health Services Administration): defended June 12, 2015.
- Mengying He (PhD, Health Services Administration): defended June 17, 2016.
- Ian McFadden (DSc, Health Services Administration): Summer 2013 – 2018.
- Gabriel Tajeu (DrPH, Outcomes Research): defended March 19, 2015.
- Holly Jarek (DSc, Health Services Administration): defended March 18, 2016.
- Josue Epame (PhD, Health Services Administration): defended June 20, 2013.
- Virginia Razo (DSc, Health Services Administration): defended October 22, 2012.

- Jim Byrd (PhD, Health Services Administration): defended April 2, 2013.
- Katrina Graham (PhD, Health Services Administration): Spring 2011 – present.
- Olena Mazurenko (PhD, Health Services Administration): defended July 10, 2012.
- Luceta McRoy (PhD, Health Services Administration): defended March 26, 2012.
- Zo Ramamonjariavelo (PhD, Health Services Administration): defended March 23, 2012.
- Tim Hale (PhD, Medical Sociology): defended on June 21, 2011.
- Payal Patel (DrPH, Public Health Management): defended on March 10, 2011.
- Maziar Abdolrasulnia (PhD Health Services Administration): defended May 9, 2006.
- Aisha Waheed (M.S. Information Studies): Thesis committee member; defended July 29, 2005.

Student Research Supervision

- Joanna Jackson, Brittany Brown-Podgorski, and Elizabeth Golembiewski (PhD students in Health Policy and Management) Faculty supervisor for a research elective course, Fall, 2016. Work resulted in four publications.
- Katy Hilts (PhD, Health Policy and Management) Faculty supervisor for a research elective course, Fall 2015. Work resulted in a publication.
- Anne Epstein (DrPH, Maternal and Child Health Policy) Faculty supervisor for a research elective course, Fall 2014.
- Lauren Wallace (DrPH, Public Health Management) Faculty supervisor for research elective course, Fall 2014.
- Whitney Smith (DrPH, Maternal and Child Health Policy) Faculty supervisor for research elective course, Spring 2014.
- Will Tarver (DrPH, Public Health Management) Faculty supervisor for research elective course, Spring 2013.
- Janice Utley (DrPH, Public Health Management) Faculty supervisor for research elective course, Spring/Summer 2012.
- Saurabh Rahrurkar (DrPH, Public Health Management) Faculty supervisor for research assistantship, Spring/Summer 2011. Work result in a peer-reviewed publication.
- Gabriel Tajeu (DrPH, Outcomes Research) Faculty mentor for research methods elective, Spring 2011. Work resulted in a peer-reviewed publication.
- Dong Yeong “DY” Shin (Ph.D. Health Services Administration) Faculty mentor for research assistantship, Fall 2009 – Summer 2011. Work resulted in several peer-reviewed publications.
- Alva Ferdinand (DrPH, Public Health Management): Faculty mentor for research methods elective, Spring 2010. Faculty supervisor for research assistantship, Spring/Summer 2011. Work resulted in peer-reviewed publication.
- Valerie Yeager (DrPH, Public Health Management): Faculty mentor for research methods elective, Spring 2009. Work resulted in a peer-reviewed publication.
- Lisa McCormick (DrPH, Environmental Health Science): Faculty mentor for research methods elective, Spring 2009.
- David Au (Ph.D. Health Services Administration): Faculty mentor for research assistantship, Fall 2008 – Summer 2009. Work resulted in several peer-reviewed publications.
- E. Lanette Milligan (Ph.D. Health Services Administration): Faculty mentor for research methods independent study. Summer, 2008.
- Adam Langley (4th Year Medical Student): Faculty mentor for research elective, Spring 2007. Project resulted in a peer-reviewed publication.
- Steve Brown (Ph.D. Biostatistics): Faculty supervisor on data management & analysis, May 2006- Aug 2007. Work resulted in a peer-reviewed publication.

- Stephanie Cruz Lee (4th Year Medical Student): Faculty mentor for research elective, Winter 2006. Project resulted in peer-reviewed publication.
- Randa Perkins (2nd Year Medical Student): Faculty research mentor for competitively awarded fellowship, summer 2005. Project resulted in peer-reviewed publication.
- Adam Ouimet (4th Year Medical Student): Faculty supervisor for health policy research elective, Spring 2005.

COURSES TAUGHT

Richard M. Fairbanks School of Public Health, Indiana University

H101: Influencing the Public's Health: The Role of Policy

Course Instructor (Fall 2017, 2018)

H120: Health Delivery in the US

Course Instructor (Fall 2018, Spring 2019, Fall 2019, Spring 2020, Fall 2020)

H325: Health Information Technology Management and Policy

Course Instructor (Spring 2016)

H624: Developing Strategic Capabilities

Course Instructor (Fall 2015, 2016, 2018, 2019)

H781: Research Designs in Health Policy and Management

Course Instructor (Summer 2016, 2017, 2018, 2019, 2020)

H747: Doctoral Research Seminar in Health Policy and Management

Course Instructor (Summer 2015, Spring 2017, 2019)

M501: Population Health for Clinicians (for medical students in public health scholarly concentration)

Course Instructor (Summer 2019, 2020)

Kelley School of Business, Indiana University

X531: Revenue and Delivery Models in Health Care

Course Instructor (Fall 2016, 2017, 2018, 2019, 2020)

Executive style course in the Business of Medicine Physician MBA program

S504: Information Technology in the Health Care Industry

Course Instructor (Winter 2015, 2016, 2017, Spring 2019, 2020)

Executive style course in the Business of Medicine Physician MBA program

X576: Global Healthcare Experience

Course Co-Instructor (Winter 2019, 2020)

Oversees experience in Singapore and Malaysia (2019) and Switzerland and Netherlands (2020) as part of the Physician MBA program

School of Health Professions, Medical University of South Carolina (MUSC)

DHA 865: National Health Policy: Understanding the Current and Historic Healthcare Landscape

Course Instructor (Spring semester 2018, 2019, Summer 2020)

Executive style course in the Doctor of Health Administration program at MUSC

School of Public Health, University of Alabama at Birmingham

HCO 613/713: Health Information Technology and Policy (Master's/Doctoral Level)

Course Instructor (Spring semester 2009, 2010, 2011, 2012, 2013, 2014)

Also taught online versions of HCO 613 from 2011–2014.

HCO 796: **Doctoral Seminar in Health Care Organization and Policy** (Doctoral Level)
Course Instructor (Fall 2009; and then Spring and Fall 2010, 2011, 2012, 2013, 2014)

HCO 612: **Strategic Management in Health Programs** (Master's Level)
Co-course Instructor (Summer 2008)

HCO 600: **Introduction to Population Based Health Programs** (Master's Level)
Course Instructor (Fall 2001)
Invited Lecturer (Fall 2010, 2011, 2012, 2013)

School of Health Professions, University of Alabama at Birmingham

CDS 610: **Research Designs and Statistics** (Master's Level)
Course Instructor (Fall semester 2012, 2013, 2014)

AH 706: **Strategic Management Theory and Research** (Doctoral Level)
Course Instructor (Fall semester 2008, 2009, 2010, 2011, 2012, 2013, 2014)
Course Instructor for Executive (distance) version of course: (Fall 2009, Spring 2012, Spring 2014)

HA 625: **Strategic Planning and Management** (Master's Level)
Course Instructor (Spring semester 2009, 2010, 2011; Fall semester 2011, 2012, 2013, 2014)
Course Instructor for Executive (distance) version of course: (Summer 2008, 2010, 2012, 2014)

School of Business, University of Alabama at Birmingham

MG 302: **Management Processes and Behavior** (Undergraduate Level)
Course Instructor (Spring, 2001 and Fall, 2001)

College of Medicine, Florida State University

BMS 6823: **Health Issues in Medicine** (Medical Students)
Co-Course Director (Fall 2005, Spring 2006, Fall 2006, Spring 2007)
Lecturer (Spring 2003, Fall 2003, Spring 2004, Spring 2005)
Overview of US Healthcare System, Patient Safety and Medical Error reduction strategies, Evidenced Based Medicine, Health Policy, Epidemiological principles for practicing physicians

BMS 6821: **Psychosocial Aspects of Medicine** (Medical Students)
Lecturer (Fall 2003, Fall 2004)
Coping with medical errors, the medical student's perspective

BMS 4051: **Honor's Medical Seminar** (Undergraduate Level)
Lecturer (Spring 2007, Fall 2007)
Introduction to Public Health and the Healthcare System

BMS 6831: **Doctoring 101** (Medical Students)
Lecturer (Spring 2003, Fall 2003, Spring 2004, Fall 2004)
Biostatistics for Medical Students

School of Nursing, Florida State University

NUR 4107: **Nursing and the Healthcare System** (Undergraduate Level)
Invited Lecturer (Summer 2004, Spring 2005-2007, Summer 2006-2007)

SERVICE & COMMITTEE MEMBERSHIP:

Service to Indiana University

Chair, Student Services Taskforce, Fairbanks School of Public Health, 2020–2021.

Member, search committee for the Indiana University President (appointed by IU Board of Trustees), 2020 – 2021.

Member, Restart Committee (appointed by University President)

- Charged with recommending and advising on when and under what conditions Indiana University can restart, that is resume, in whole or part, normal face-to-face operations following COVID-19. April 2020 – Present.
 - Co-chair of testing subcommittee, member mitigation testing team. June 2020 – Present.

Lead Representative, Fairbanks School of Public Health at IU Fort Wayne. October 2020 – Present.

Member, search committee for the Center Director for Biomedical Informatics, Regenstrief Institute, 2020

Member, search committee for the Center Director for Health Service Research, Regenstrief Institute, 2019

Member, search committee for the Vice President for Research, Regenstrief Institute, 2018

Member, search committee for the Director of IU Center for Aging Research (IUCAR), Regenstrief Institute, 2018

Member, IU School of Nursing Promotion and Tenure Committee, 2017

Facilitator of roundtable discussion for “Collaboration with Governmental Agencies” at Plater Institute on the Future of Learning at IUPUI, 2017

Co-champion of Health Policy area, Regenstrief Institute, Inc. Strategic Planning Process, 2017

Facilitator of strategic planning retreats, Center for Biomedical Informatics (CBMI), Regenstrief Institute, Inc. 2016

Chair, search committee for Director of Center for Health Policy, Richard M. Fairbanks School of Public Health

Chair, search committee for Associate Dean for Research, Richard M. Fairbanks School of Public Health

Peer-reviewer, CTSA internal grants announcement 2016

Service to the University of Alabama at Birmingham

Member, Review Committee for Appointment of Distinguished Professor

- Ad hoc committee to review a nomination for an honorary title bestowed by the university to individuals who meet certain criteria pertaining to excellence.

Member, UAB Quality Enhancement Program (QEP) Development Committee

- Represent the School of Public Health on the main committee developing key work plans as part of the university re-accreditation process with The Southern Association of Colleges and Schools (SACS) Commission on Colleges

Member, UAB Blazing Start Faculty Advisory Committee

- Advised UAB administrators on strategies to improve enrollment, retention, and graduate rates of historically under-represented students at UAB

Member, Search committee for Chair of the Department of Health Services Administration, 2013

- Review and select candidates for Chair of a top ranked department in the UAB School of Health Professions

Chair, Search committee for Assistant Professor in Outcomes Research, Department of Health Care Organization and Policy, 2013

- Led the successful recruitment of a new faculty member at the UAB School of Public Health

Reviewer, "Back of the Envelope Award" for students, UAB School of Public Health, 2012

- Reviewed student proposals for innovative small grants program

Chair, Teaching Award Selection Committee, UAB School of Public Health

- As the previous recipient of the President's Award for Excellence in Teaching, I chaired the committee that selected the 2012 and 2013 recipient of this prestigious award.

Member, Faculty Affairs Committee, UAB School of Public Health, 2011-2014

- School wide promotion and tenure committee that reviews initial faculty appointments and makes recommendations on promotion and tenure.

Peer-reviewer, Minority Health and Health Disparities Research Center (MHRC), 2011

- Reviewed internal (University) grants for Charles Barkley Health Disparities Research Awards.

Member, BLAZE advisory committee, 2011-2014

- Assist in developing modules; review and select candidates for the Building Leadership Attributes with Zeal and Excellence (BLAZE) Leadership Academy at UAB.

Member, "Ellen Gregg Ingalls/UAB National Alumni Society Award for Lifetime Achievement in Teaching" selection committee, 2011 – 2013

- Review and select candidates who have 20 years UAB service and are previous recipients of the President's Award for Excellence in teaching for this highly prestigious award.

Member, Student Academic Grievance Review Committee, 2011 – 2012

- Reviewed the merits of a doctoral student appeal of a dissertation committee's decision to not pass their final defense (Spring 2011). Reviewed merits of a doctoral student appeal for being dismissed for failure to make adequate progress to degree completion (Fall 2011).

Member, "Becoming the Preferred School of Public Health in the 21st Century" Taskforce, 2010

- Participate in a series of professional development and strategic planning exercises designed to introduce innovation and change at the School of Public Health.

Member, MSHI Admissions Committee, 2009- 2012

- Evaluate applicants on their suitability and likelihood for success in the Master's of Science in Health Informatics degree program.

Faculty Member, School of Public Health Honor Court, 2009 – 2012

- Served as faculty investigator, along with two students, in an appeal case by a student who was previously found guilty of violating the academic honor code and dismissed from the university (2009).
- Served as faculty representative on the appeals board for a case involving a student accused of plagiarism by a professor (2010).

Ex-officio Member, Maternal and Child Health Advisory Committee

- Provide support, leadership, and guidance to the UAB Maternal and Child Health programs at UAB.

Chair, DrPH Admissions and Policy Committee, 2008- 2015

- Evaluate applicants on their suitability and likelihood for success in the Doctor of Public Health degree program with a concentration in Public Health Management

Member, Strategic Management Comprehensive Exam committee, 2008- 2009

- Grade doctoral students' comprehensive exams in the department of Health Services Administration

Advisor, MPH and DrPH students, 2008- 2015

- Academic advisor to master and doctoral students with one of several concentrations in health care organization and policy

Reviewer, Lister Hill Health Policy Fellowship Applications, 2008 – 2013

- Evaluated and ranked applications from students seeking a competitively awarded health policy fellowship carrying a stipend for six months for service in the office of a member of Congress, in an executive branch agency, or in some other appropriate private national health policy organization

Reviewer of Student Scholarship Applications, 2009

- Evaluated and ranked applications (incoming and returning students) applying for School of Public Health Named Scholarships

Service at Florida State University College of Medicine

Senior Member, Admissions Committee, 2006- 2008
